Read the rule book, available on www.silverstateclassic.com or www.sscc.us

YOU MUST CHECK YOUR OWN TIRES TO MAKE SURE THEY CONFORM TO THE CLASS YOU HAVE ENTERED. MARK EACH ITEM YOU HAVE INSPECTED & CONFIRMED AS SAFE & FOLLOWS THE RULE BOOK.

Vehicle Make_____ Model_____ Year_____

Original equipment tire size_____

Car Weight Front _____ Rear_____ Total _____ (if known)

Tire Brand_____ Tire Model_____

Front Tire Size_____ (include load and speed rate)

Rear Tire Size_____ (include load and speed rate)

i.e. From the sidewall	265/40ZR18	97	Y
	Size	load	speed

1. Check your tires for wear; need at least 1/32 over wear bars on tread.
2. Check for even wear, repairs, damage of any kind.
3. No plug tire repairs allowed.
4. Recommend tires 4 years or newer in excellent condition. (The manufactured date code is located in an oval about ½ by 1 inch on the reverse side of the tire. Usually a 4 digit number such as 0305, which means the third week of 05).

The entrant is responsible for their equipment.
This form does not approve entrants tire condition. Tires will be inspected.
