YOU MUST CHECK YOUR OWN TIRES TO MAKE SURE THEY CONFORM TO THE CLASS YOU HAVE ENTERED. MARK EACH ITEM YOU HAVE INSPECTED & CONFIRMED AS SAFE & FOLLOWS THE RULE BOOK.

Vehicle Make _____ Model _____ Year _____

Original equipment tire size _____

Car Weight Front _____ Rear _____ Total _____ (if known)

Tire Brand _____ Tire Model _____

Front Tire Size _____ (include load and speed rate)

Rear Tire Size _____ (include load and speed rate)

i.e. From the sidewall 265/40ZR18 97 Y
 Size load speed

1. Check your tires for wear; need at least 1/32 over wear bars on tread.
2. Check for even wear, repairs, damage of any kind.
3. No plug tire repairs allowed.
4. Recommend tires 4 years or newer in excellent condition. (The manufactured date code is located in an oval about ½ by 1 inch on the reverse side of the tire. Usually a 4 digit number such as 0305, which means the third week of 05).

The entrant is responsible for their equipment.

This form does not approve entrants tire condition. Tires will be inspected.

Driver (print name): _____ Signature: _____

Navigator (print name): _____ Signature: _____
