Due to the high-speeds and remote locations of our events, unfortunately there are no spectator viewing areas. However, your family, friends, and crew can view SSCC events by becoming course workers. We're always looking for additional course workers to help secure the gates along the course on Highway 318. Contact us for information on how to sign up.

For three decades, SSCC events have been referred to as a true driving experience of a lifetime. Our staff, racers, and everyone involved in Open Road Racing are truly one big family. Come join us once as a bucket list item, and come back for friendships that last a lifetime. We look forward to you joining us.

Sincerely,
SSCC Board of Directors
