		Start of Parking Area	* Park as Directed *

## NOTES

Turns are described by the tightness and angle (in degrees).	
Gentle Turn	A long radius turn of any angle
Moderate Turn	A medium radius turn of any angle
Tight Turn	A short radius turn of any angle (only present in the Narrows)
Apex	The point on the inside of the turn after which you should let the car drift to the outside of the turn.

## GPS COORDINATES
